

Sheet 33 - Assessment of sequence 2 (part 4)

14. Do you know what you should do if a similar earthquake occurred in your town, when you are at home? Check the appropriate box.

Item 23	0	1	9
---------	---	---	---

- ☐ I should climb onto the roof of the house.
- ☐ I should shelter under a solid piece of furniture while waiting for the end of the quake.
- ☐ I should approach the window to see at what is happening outside.

15. The illustration opposite represents the behavior of a person at the time of an earthquake. Explain in what way this behavior is not suitable. (*Write a sentence*)

Item 24	0	1	9
