### LINKS FINAL CONFERENCE:

The LINKS project and the network of Finnish science and technology universities, LUMA Centre Finland, warmly welcome you to the LINKS final conference in Helsinki on the **3rd of June, 2019**.

The results of the project will be presented in the final conference of the project, e.g.

- Key knowledge and skills that should be developed among teachers and educators.
- Innovations that could be brought to CPD in terms of content, methods and tools.
- The role of different stakeholders in CPD apart from traditional CPD providers, and especially the role of employers and of the scientific community.
- Decision-makers, employers, researchers working on science education but also those from scientific disciplines interested in education, teachers and teacher educators from each project partner country (Austria, Finland, France, Italy and the United Kingdom) are invited to the final conference.

We would also like to warmly welcome all interested in the subject!

The final conference is organized at the University of Helsinki, **in Helsinki, Finland on Monday, June 3rd, 2019**.

More information about the final conference and the programme, as well as the link to the registration form can be found online at <https://www.luma.fi/en/event/links-learning-through-innovation-and-networking-in-stem-final-conference/>

**Please register by May 26th, 2019.**
