

ASTEP: Discussion Board

Forum

- [Click here](#) if you want to exchange, ask questions to experts and share your experience.

Mutualise

- in 2007/2008, a partnership between the academic inspection of Hérault and the University Montpellier 2 enabled to experiment ASTEP. [Click here](#) to read the assessment of this project.
- If you also want to publish the work of your class, your internship files, your report, click here to be directly [in contact](#) with the moderators of the project.

Work space

- A work space dedicated to scientific correspondents has been established: follow [this link](#). To enable correspondents to share information and documents, you need to login to access the page.
