

Handout 37. Securing the base

Instruction: Cut out the vignettes and arrange them to create a condition that will trigger the alarm.

 <p>Security hatch open</p>	 <p>Rover parked</p>	 <p>Night fallen</p>	 <p>Oxygen level normal</p>
 <p>Energy level normal</p>	 <p>Base inhabited</p>	 <p>Power generator ON</p>	 <p>Alarm rings</p>
